Date

October 29, 2021
15:30-16:30

Topics covered:

- Basics & Benefits of Open Access
- Open Access Options at CUP
- Why publish with CUP
- How to publish OA

Speakers

Matt Day,
Head of Open Research Policy & Partnerships

Matt has worked in publishing for over 20 years. He joined Cambridge University Press where for past seven years he has worked on the Press's policies, community engagement and strategic development in open research for academic books and journals.

Alison Paskins,
Publishing Editor, Open Access STM Journals

Alison has worked at Cambridge University Press as Publishing Editor in the Open Access team for three years, handling a list of STM journals. Her list includes a mixture of new OA launches, and more established titles.
